FIFA Soccer 2012 - FIFA Soccer 2012 is every bit the best FIFA ever. FIFA Soccer 2012 is the definitive football experience on the planet, delivering everything fans love about FIFA including all-new gameplay innovations, a more realistic and fluid engine, and all-new control schemes.

FIFA Soccer 2013 - FIFA Soccer 2013 is more real, more balanced and more connected than ever before. Introducing one of the most influential innovations in the history of football, FIFA 13 innovated a new way of interacting with players in a game where the ball is in motion. With the introduction of the new Pro-Direct dribbling system, it's now possible to skillfully pass, run, shoot and receive the ball with just the touch of a button. Positioning and the ball's flight and spin physics have been improved, giving the players a more realistic flight, spin and trajectory to control. New shooting mechanics with Impact Vision delivers even more realistic ball flight to improve the chances for a goal. Completely reworked gameplay, ball physics and improved player models make FIFA Soccer 2013 the most realistic and responsive football experience ever.

FIFA 14 - FIFA 14 features more

ball physics with the new Dynamic Camera System (DCS) for more control and less accidental goal-scoring, as well as a new, physics-powered Kick Zones (KZ) that govern successful place-kicks, with less spin and better crossing options for players. New multi-targeting passing controls and improved accuracy of passes for better connection between players will ensure it's never been easier to control the game. Dribbling with

FIFA is one of the world's leading sports gaming franchises. FIFA is EA SPORTS' flagship franchise, where players can feel the emotion of victory and despair of defeat in a game that mirrors real life football. With FIFA you can play as a team to dominate your rival in real-

life football games (EA SPORTS Football, FIFA Club, etc.) or play head-to-head against friends and rival players in every FIFA game (Be a Pro, Online, FIFA Ultimate Team, etc.). The FIFA video game franchise is published and distributed by Electronic Arts worldwide. What is the FIFA Franchise? FIFA is EA SPORTS' flagship franchise and the most popular sports gaming franchise of all time. FIFA has had a rich history of innovation and creative excellence since the first FIFA game was released in 1992. FIFA announced on July 7th, 2012 that it was inducting the FIFA franchise into its hall of fame, marking it as the third game franchise to receive this honor after the Madden and NCAA titles. This is the fourth year of the Hall of Fame, and the fifth year in which FIFA will be recognized. Other previous inductees to the Hall of Fame include EA SPORTS FIFA and the NCAA Basketball titles. FIFA is also one of the most iconic brands in sports. The 2012 Guinness World Records described FIFA as the most successful sports brand in the history of electronic games and

entertainment. The Guinness Book of Records described the game as the second-most played video game franchise after the Madden NFL series. FIFA has been named the "Official Video Game" of the FIFA World Cup since FIFA 08. The FIFA franchise continues to evolve with new modes and features, such as FIFA Ultimate Team, FIFA Online, FIFA Club, and social integration. In addition, new gameplay features such as 3D free kicks, volleys, and dribbling have been implemented. FIFA Ultimate Team (FUT) FIFA's Ultimate Team (FUT) mode is a LIVE services on Facebook that provides gamers to build and manage their very own fantasy football club by purchasing packs, including players, stadiums, chants, kits, and balls. This mode allows gamers to compete with their opponents using an 8-minute round, like competitive play in FIFA games. Players can earn virtual points for their fantasy team with the purchase of players and packs from the FUT store. Players can also compete against their friends in the Social Team

of Football, where they can challenge each other for bragging rights and place their team in league standings
