Sony NWZ-B152F Firmware Update.epub. Sony Nwz B152f Manual Arts. Manual Online epub:.This invention relates to a method for analyzing the performance characteristics of a mask. In semiconductor processing, there are generally two types of photoresist masks employed. These are in-plane and out-of-plane masks. In-plane masks are used to produce the critical circuitry of the integrated circuit, and, therefore, require that the mask be capable of transferring the desired pattern in a simple and straightforward fashion. In contrast to in-plane masks, out-of-plane masks are used to create or enhance the topology of the underlying surface. The latter type of mask, also known as a mandrel, is employed to produce, for example, bipolar transistors, field effect transistors, and so forth. These transistors are the working components of the integrated circuit. To give these devices their desired qualities, the
