file.. A: The answer for this is posted somewhere else, but you have to be logged in. The software is free, and in some sense a "nice to have". It's not specifically critical in this case, but it does make the site much, much faster, and makes it much easier to add more functions in the future. Step 3:

Going  
Retrospective and  
Frustrating Finally,  
after all this  
(humble) hard  
work, I got to sit  
down and actually  
reflect on my post.

And there were  
three words that  
came into my mind  
as I was typing  
away: Frustrating,  
Silly, and Blue.

Now, I love  
teaching. Okay, I  
love the people I'm

---

teaching. But I don't love the process of teaching. I enjoy the teaching part more than I enjoy the process of helping someone realize a goal. To be perfectly honest, I can't enjoy the process at all. I put work before me, and it's not a pretty picture. Now, this isn't the first time I've talked about

---

this. But I think I've finally pulled the threads together enough to explain myself. I like to play. Oh, I like to play. I also like to read. I've always loved reading. I'm a reader. I enjoy it. But what I don't enjoy is teaching someone else.

When I was younger, I was obsessed with learning everything

---

on my own. I worked extremely hard on my entire life to get myself there. And I almost made it! But something stopped me. I almost made it, but something held me back. And as a result of this, I'm extremely, and I mean EXTREMELY, curious. My brain is always on the move, always wondering where
