The "Oblivious Garden" world is a reality fantasy where everything is possible.People think they are taking part in the dream world, but in reality, it's just the opposite.The game's story is centered on the fantasy dream called "Oblivious Garden", a world of the unknown at the edge of reality. Want to play the main heroine, Lute-Marie? A classic fantasy RPG where the story moves in the real world.Grimoire of Rebirth: A more fatalist god drama where there's no hope of redemption. This game has the mysterious grandmaster protagonist, Tohru, who continuously gets involved in the fate of others, and the goddess princess Lute-Marie.The main characters, Tohru and Lute-Marie. The wandering adventurer Taiki! Explore the countryside with the game's wandering adventurer, Taiki. Each episode will be a step further into an adventure filled with romance, mystery, and beautiful CGs and music. Play through the sexy, passionate Carmina Burana soundtrack, "The Long Journey". *The main heroine, Lute-Marie's voice actress, Jing Röper, will be singing a duet with the legendary pop singer, Doros! - This is the first time we've come across any kind of media project that takes place in the "Oblivious Garden" world and runs a theme song. - We've decided to include this theme song because we want to show the wide variety of our theme songs, and it's the only Carmina Burana song that exists in the game. - This song is a very special one for us. We have the option to include the Carmina Burana song in our game, and we've decided to do that! - We've been asked to work with the Carmina Burana song for a long time, but we haven't been able to work on it yet. - It's been over 20 years since a pop singer and Carmina Burana song have been produced together, so we've decided to work with both of them. - I'm really grateful that Doros has decided to sing with Jing Röper for this Carmina Burana song. - I've sung the Carmina Burana song in

What's new:

Release Announced for PS Vita IGN Rating: 8.5 / 10 Classunity and Nd Cube present Silent Waters: Collector's Edition for PS Vita. From the makers of Aurthur's Nightmare and Port Royale comes the next installment of the Silent Waters series. According to the press release: Silent Waters Collector's Edition for PS Vita features the full version of Silent Waters, previously released on smartphones and tablets, as well as a special control scheme for dual-screen owners, a feature that will enhance the game's depth even more. The Collector's Edition also includes the collections Haunting Fog: The Walkers of Silent Waters, Haunting Night: The Secret of Silent Waters, Haunting Call: The Mystery of Silent Waters and Haunting Wake: The End of Silent Waters. An asylum full of terrifying spirits and a man who disappears into the nightmare and falls asleep are the dark secrets of Silent Waters, who drags you into his trap without a trace of mercy. Try to escape! Six years after an evil spirits destroyed the town of Nanagumi, a man wakes up in an isolated house, completely unaware of what has happened to the rest of the world. As you explore the abandoned town, you have to find out what really happened there, and save the man you've brought to safety. "Silent Waters is a game where you die many times during the game. I'd almost advise you to play through it many times to get a full appreciation of the final product. But ultimately you can push this frontier even further by building your own Haunting World." "Dead State is a grim, atmospheric and macabre first-person shooter that invites you to play as a survivor trapped in a vast, ruined US city." – Dead State "Dead State will be one of your most difficult games, but you will enjoy it, too. By being a survivor, you will be forced to deal with the insanity that's gone on, and it'll cause you to question your judgement. With constant threats around, you can never know who you can trust, who's an infected enemy, or who can be turned to your side. Dead State is a great survival game that you will love until the end." – Zombie Maps "Dead State by the Massachusetts-based team Exit Reality is a graphic intensive first person shooter that forces you to explore a vast and zombie infested city in search of the missing survivors of an apocalyptic event. After an outbreak in Washington D.C. over a year ago, the city became infested with the infected, and as time passed, further cities like the one you play in slowly began to succumb to the disease. As a survivor, you'll battle your way through hordes of infected trying to find a way out and the missing survivors." – IndieGames.comBecause of its scenic location, size, pristine beaches, and climate, the state of Hawaii has a number of scenic airports.
