Howard, Jr., Washington, D.C. 1925-1930 (author).About PianoMax is a musical instrument player discovery search engine that helps professionals find professionals using a music industry-standard online resume. Use PianoMax to search for musicians, manage your music business, and build a client base The many searchable fields in PianoMax provide enough information to find professional musicians by their skills, experience, and client base. Click on

musicians to review their profiles Click on musicians to enter their client mailing list, and be the first to suggest their services to new clients.

Enter your e-mail address and receive daily recommendations of new musicians for you to refer to new clients. Search our database of musicians that are available for work, build a customized query, and organize a search list of musicians according to skill, style, budget, and your preferences. Save your searches and get personalized music results, and view a list of musicians that fit your criteria and interest. PianoMax will help you take control of your music business with detailed information about professionals you can hire, by transforming your hard copy resume into an online resume that adds a professional touch to your music business. With PianoMax you can search from any computer with Internet access, create a

personalized search list, create a query, and build a client base. With PianoMax you can customize your searches as much or as little as you like, build your own search list, and access your results from any computer. To create a query, place your mouse over the musicians you're looking for, and click the plus sign (+) to add each musician you're interested in. Continue adding musicians, and you will receive e-mail reminders when you have new musicians added to the list. Save your searches and view a list of musicians that fit your criteria and interest.
