* Pursue Justice at the Center of the World Justice that the human world fights for while the Elves and Dwarves live in peace and harmony with the other races is pursued by the Elves alone. All races of the world of Tarnath, including the Dwarves, did not appear there, but are born in the Mistland. Alone, the Elves who set off on a journey to reveal the secrets of the world they call home are separated, due to the difference in their magics and ethics. * Chasing their Noble Quest The Elves forged their own meaning of life and promise to each other. They fight to seek out their future, while never forgetting what they lost. * Unparalleled Fantasy Adventure Elden, a kingdom that has been protected since the First and Second Ages, is suddenly attacked by the Elven Army under the leadership of a dark power in the Third Age. Each race who is living in harmony with nature and magic is gathering their power and preparing for a rebellion. * Select Your Character and Battle The Elves have forged their own identity. Between the two races, their definition of the world is different, so both races come together to achieve their goal. -Character Choice -Race: Elves or Dwarves -Follower: Village, Warrior or Magician -Fashion: Normal or Blood Red -Status: Soldier or Magician -Main Weapon: Bow or Sword -Sub Weapon: Spear or Chainmail -Favorite Skill: Skilling, Macing or Magic [Supported Languages] • Language(s) : C, FR, DE, ZH, EN, PL, IT, DEU, KO ( • Default Input Language: English • French/German/Chinese: Translations and Updated, French and German by Bigroom Art Team, Chinese by Stanifisze [Wanted Text] [Answers: Press L to open the Quest Summary. **Elden Ring [Latest-2022]**

"[Elden Ring] is a fantastic role-playing game from the creators of the extraordinarily successful [Aven Colony] that can be a bit of a schizophrenic experience. With its RPG mechanics and expansive world, it will likely be a massive hit among fans of that genre. That said, it also simultaneously seems to owe a great deal to games like Darkest Dungeon, FTL, and even Elder Scrolls. Considering that last game has been a great game, it makes the difference far less of a differentiator. Ultimately, while it has a decent amount of narrative drive and some very cool elements, in the end, the vast majority of it feels like filler that could have easily been trimmed to make the game much longer." STORY A PLACE ON THE MOON: What if the moon was born from a volcanic eruption. In an attempt to control the chaos, the nations of the celestial bodies were raised to create a world in which mankind would be protected and the moon was born. The three lords of the moon were born together. RISE: The "beloved" son of the Moonlord, born in the year 4447, was the heir to become Moonlord. TARNISH: The eldest daughter of the Moonlord, born in the year 4451, desired to change the world. GRACE: The shortest daughter of the Moonlord, born in the year 4455, was a first generation female Moonlord. RISE: A mysterious elf appears and changes the lives of the Moonland TARNISH: A perverted noble washes ashore in the Moonland and changes the life of the Moonland GRACE: A brash noble who believes she is an airship takes residence in the Moonland and influences the Moonland Moonland's father is a man on the Moon. The Moonland is a place where various characters are gathered while waiting for their fates to play out. The Moonland cannot be entered; one must wander on the surface of the Moon. ARE YOU IN A MOONLOFT? YOU ARE THE MOONLORD. LEAD THE ORGANIZATION TO CLEANSE THE MOONLAND FROM DEBRIS. TRAVEL TO ALL THE MOONLAND MAP POINTS TO PROTECT THE MOONLAND. ENJOIN THE ASSISTANCE OF YOUR GOVERNMENTS IN ORDER TO PROTECT THE MOONLAND FROM UNLAWFUL ACTIVITIES. My ultimate dream is to design a fantasy RPG that seamlessly and naturally combines the "elements" of traditional fantasy stories with those of modern high-end game stories. I want to have a story where the lines of the game are gradually blurred, and the game world seamlessly connects into the real world; yet we can still see the genius of the individual expressions. I want to design a game that gives the player a wide variety of freedom without losing the romantic appeal that has been perfected in real life through an immense amount of effort. I am always accepting people's advice regarding the story and story elements, but I would like to hear your "elements" from the

What are you waiting for? Come build a legend! • Playing Through is Easy, the Banner Saga is Easy This is a true RPG. You can enjoy the real RPG feeling in this title by playing through. • More Heroes Mean More Enemies. Fighting is Exciting! Heroes that have recently joined the Lands Between will join you on your adventure! As your party grows, the variety of enemies encountered increases. That means you have more opportunities to strengthen your party.

Explore the Lands Between! Story The Lands Between have been left in a fragmented state. Some regions are destroyed, but others are in ruins filled with huge monsters. Some of the Ruins provide secrets and obstacles. It is told that a hero might exist. The hero is called the Tarnished Rose.

Gameplay Easy/hard The game can be played in an easy or hard mode. Options Allows you to change the game settings. Item Details Armor Armor can only be acquired through battle, and item drops can be fairly random. Regardless, it is key to equip your character with the appropriate gear. You can increase your ability to enhance your stats using items.
